

Dear Customer,

This is a guide for how to purchase goods from us if you are in need of shipment abroad. Since we recently implemented a brand new business system, we still not have a system that handles shipping abroad in a simple and efficient way. However we will of course guide you so you are able to place your order and get it shipped in a good manner. Please follow instructions below;

1. Please register a new account at www.olbrygging.no. Fill in your first- and last name, phone and email address. **Note that your address is to be set to our address**, as shown below;
